KINGSTOWNE/SPRINGFIELD, VA — VHC Health Physicians opened two new primary care offices in Fairfax County this week, one in West Springfield and another in Kingstowne.

The new [West Springfield primary care office](#) is located at 5803 Rolling Road, Suite 110 in Springfield. Its office hours are 8 a.m. to 5 p.m., Monday through Friday. Services include primary care for patients 18 years and older, preventative care, same-day urgent appointments, telehealth visits and lab testing.

Patients can call the West Springfield office at 703-717-7375 to schedule an appointment.

VHC Health Physicians' new [Kingstowne office](#) is located at 5971 Kingstowne Village Parkway, Suite 300. The Kingstowne office's hours are the same as the West Springfield primary care facility.

The phone number for VHC Health's new Kingstowne office is 703-717-7378.

“The future of healthcare is outpatient, neighborhood care and VHC Health is leading the way in Northern Virginia — bringing quality and affordable care to patients in the communities where they live and work,” VHC Health said in announcing the opening of the two new offices.

VHC Health Physicians is a multi-specialty group with primary care physicians and specialists located across Northern Virginia.

The new primary care offices in West Springfield and Kingstowne, along with VHC Health Physicians' other offices across Northern Virginia, are now accepting new patients.

In 2022, Virginia Hospital Center in Arlington [rebranded itself](#) as VHC Health. As part of the rebranding, its VHC Health Physicians group started opening offices in the region.
